August 22, 2025  
Wyndham Indianapolis West

Dear Partner in Hope,

Upstream Prevention is excited to host the **Indiana Suicide Prevention & Awareness Summit**, with a 2025 theme of *More than Just Hope: Multifaceted Approaches to Helping Hoosiers*. This summit is the NEW version of the Indiana Suicide Prevention Network Conference, aiming to bring together mental health professionals, educators, community leaders, survivors, and advocates! Join us to share knowledge, spark collaboration, and strengthen suicide prevention efforts across Indiana. With suicide rates on the rise-particularly among youth, veterans, and rural populations - our mission has never been more urgent.

This year's summit is focused on highlighting that prevention and awareness are key, there are many paths to suicide prevention and postvention support, and we need everyone at the table – and we need your help!

Upstream seeks sponsorships for the ISPAS on **August 22, 2025 at the Wyndham Indianapolis West Conference Center**. Your support will help us ensure this Summit is a success, spreading evidence-based and innovative approaches to suicide prevention, awareness, and postvention supports throughout the state, including to hundreds of attendees.
