

Indiana Suicide Prevention & Awareness Summit
Building Connections to Foster Thriving Communities
August 5, 2026
Wyndham Indianapolis West

Dear Partner in Hope,

Upstream Prevention is excited to host the **Indiana Suicide Prevention & Awareness Summit**, with a 2026 theme of *Building Connections to Foster Thriving Communities*. We're excited to expand from our first summit last year (reaching 150 individuals from around the state!) to reach more mental health professionals, educators, community leaders, survivors, and advocates! Join us to share knowledge, spark collaboration, and strengthen suicide prevention efforts across Indiana. With suicide rates on the rise-particularly among youth, veterans, and rural populations - our mission has never been more urgent.

This year's summit is focused on highlighting that building connections within and between communities and partners is vital for suicide prevention and postvention support – and we need your help!

Upstream seeks sponsorships for the ISPAS on **August 5, 2026 at the Wyndham Indianapolis West Conference Center**. Your support will help us ensure this Summit is a success, spreading evidence-based and innovative approaches to suicide prevention, awareness, and postvention supports throughout the state, including to hundreds of attendees.

Sponsorship information is listed on the next page, including how to secure your sponsorship place! If you have questions, need an invoice or pledge form before payment, please reach out to the Suicide Prevention Coalition of Johnson County (suicideprevention@upstreamprevention.org) or to Kathleen (kathleen@upstreamprevention.org). We thank you in advance and look forward to hearing from you!

Thanks for your consideration,

Kathleen Ratcliff & the Suicide Prevention Coalition of Johnson County
